Members of Assocorce, jointly with those of the sister association Tsunami Club, and our network friends, are invited to the Annual Meeting 2022 to share season's wishes and a toast. The usual focus topic will be this year on the forecoming launch of the first web tutored theme itineraries of our TuTourItaly platform, in the Lazio Region

The Natal Shores of Rome

Discovering the mystical imprinting of the Eternal City in a timeless coastal journey

Fitness the Popes' way

Experiencing the natural sources of wellness that made of Viterbo the Popes' refuge for centuries

Questi i titoli dei primi itinerari di turismo internazionale tematico a tutoraggio virtuale che verranno a breve lanciati nell'ambito del programma TuTourItaly. Saranno il focus del nostro Annual Meeting, condiviso con l'Associazione consorella Tsunami Club e tutti gli amici del nostro network.

Our social afternoon will be livened up by the "primes" of the acted and sung - danced performances by "traveling artists" which we, jointly with Musicopaideia, are preparing as interactive "hosts" on these itineraries and their themes.

Il pomeriggio insieme sarà allietato da alcune "prime" delle rappresentazioni attoriali e coreutiche di "traveling artists" che insieme a Musicopaideia stiamo preparando in quanto "hosts" interattivi su questi itinerari e i loro temi.

Impossible podcasts – Interview with gourmet Pope Martin IV – by Ornella Marcucci (S.Sarra Dir.)

Lute accompagniements between sacred and profane – Lorenzo Sabene's performance of '400 files

Entertainment with the roman folk talk-songs "Stornelli" – popular social tradition of Lazio

We will conclude with a medieval supper, plus Panettone toast. Concluderemo con un rinfresco medievale a sorpresa e brindisi / Panettone.
